

## Registered Intern Position Description

### POSITION DESCRIPTION

Florida Registered Interns (Mental Health, Marriage & Family or Social Work) who are ready to join a team of counselors working in central Florida schools are invited to apply! The school counseling program is in its 5th year of serving area parochial and secular private schools through individual and group counseling with children aging from preschool to 12th grade. The school counseling program is operated through Lutheran Counseling Services (LCS) which has been a staple counseling resource in Central Florida for over 30 years. Self-starter, relationship oriented and creative counselors will love this position to support children, their parents and staff in area schools. Previous experience working in schools is highly desirable. The opportunity to network with other LCS counseling staff and partners, attend educational meetings and participate in provided supervision awaits the qualified registered intern who is a good fit for this position! Apply today!
